

16th edition of the Careers in Management Forum: companies are hiring students and graduates from iaelyon

The 16th edition of the Careers in Management Forum will take place on Wednesday November 23, 2016. It is designed both for Master's students in their first and second year and for graduates: final internship, job offers, V.I.E Offers (International Volunteer Program), year-long company placements...

> [List of companies attending](#)

> **Companies:** it is still time to book your booth
> **iaelyon students and graduates:** come and meet companies currently hiring. Free entrance, bring your resume.

Get ready: prepare your application

Take part in the round tables and thematic workshops (complete program coming up soon)

Companies:

iaelyon can help you with your recruitment projects to find interns, V.I.E or graduates Post your offers and have a look at our candidates' resumes on [Link'iaelyon](#), **iaelyonprivate** social network
