

# MA/MBA - General Management Program - GMP

## Présentation

High-level Program organized by **iaelyon** School of Management.

## Objectifs

### Think ahead... Think International

The General Management Program (Master MAE), flagship degree of iaelyon School of Management, offers an overall vision of Business Administration and a set of skills in General Management to participants of various academic and professional backgrounds: engineers, doctors, lawyers etc. Designed for both French and international students the GMP is a full-time program entirely taught in English by iaelyon faculty members as well as international Visiting Professors and practitioners.

The program focuses on the development of double-skills and its strength lies in its general approach of business and management concepts targeting multidisciplinary and multicultural participants.

Long-lasting program, academically renowned, the GMP benefits nowadays from a strong recognition in the job market.

## The highlights of the program:

- Program ranked in the 2025 [Eduniversal national Ranking Best Masters](#)
- Full English track
- Multicultural classroom and high level of interactivity due to small size of the group
