Écully, 2015, 23 june,

Dear Colleague,

We have the pleasure to invite you in the ISEOR's Conference to celebrate 40 years of the research center, to 2015, 14 & 15 october. The theme will be « **Companies, Value(s) and Prosperity : Socially Responsible Capitalism** ».

ISEOR is celebrating its 40th anniversary age of maturity and very positive assessment

L'ISEOR has recorded 1,700,000 research hours, trained 595 scholars to the socioeconomic (SEAM) model method and created an active network of 125 researchers all around the world.

ISEOR carried on intervention-research in 1,852 companies and organizations, from 40 countries in 4 continents and organized 16 International Conferences in partnership with the Academy of Management, the international Institute of Costs and the American Accounting Association and 29 professional Conferences.

The logistic information can be consulted on our www.iseor.com Website: the area map, hotels and program.

We would be particularly happy to welcome you in our event.

We are at your disposal for any additional information. By hoping to count you among us, in Lyon next October, please accept our sincere greetings.

Henri SAVALL et Véronique ZARDET
President , ISEOR / Executive Director
